The HBF Stadium is a very appropriate and attractive venue for our Championship.

Comfortable facilities which include big change rooms and warm up area and a very large dance floor make it very attractive to all competitors.

The 1800-tiered seating provides clear viewing for all spectators and the cafes and bars ensures that the venue is most suitable for our audience.

The organizing committee is very confident that we will have approximately 250 competitors and 1,000 spectators in attendance.

The Championship is run by the Western Australian branch of DanceSport Australia

We hope you will consider our proposals and assist us with celebrating our DanceSport WA Open Championship 2018.

It will be an exciting event and create great viewing for spectators of all ages.
